## IGUAZO ARMCHAIR

W 77 cm | 30.3" D 85 cm | 33.5" H 110 cm | 43.3"

In the border between Argentina and Brazil there is one of the most striking views in the world - the IGUAZU falls. This view inspired us to design one more living room furniture piece, the IGUAZU armchair. Shaped as the cliff's outline, it's in the stripped pattern in the chair's back that the fierceness of the waterfall is recalled. A wingback chair's style, IGUAZU perfectly combines the strength and harmony of the waterfalls.

# ALPINA GSTAAD HOTEL

BY HBA LONDON

📍 ALPES, SWITZERLAND

The Alpina Gstaad is a luxury hotel in Switzerland for the world's most discerning travellers that opened in December 2012. More than a place to stay in the Swiss Alps, it is a new icon for Gstaad combining Swiss tradition and thoughtful luxury. For the interior design project, HBA London took the traditional chalet form of the building into the interior and contemporised it. Our participation in the project is regarding the use of our contemporary VELLUM wall lights in the hotel's ballroom. The result couldn't be better, the harmony projected by the ambience is undeniable.

# DUBAI HOTEL

Dubai is synonym of luxury and sophistication so it's no surprise that it became the inspiration for this hotel interior design project. In a blue and mustard colour palette, NAI Dining Chairs and BOURBON Sofa are what stands out in this dining area. Fully upholstered in velvet, they add luxury and comfort. To tone down the vibrant colour scheme is AGRA Marble Dining Table and CAUCA Rug. When it comes to lighting, NAICCA Pendant Lights and SHAKA Wall Lights create a beautiful atmosphere.
